

Redmine - Feature #36197

Make the default behavior of copying attachments configurable when copying an issue

2021-11-16 09:26 - Go MAEDA

Status:	New	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Issues	Estimated time:	0.00 hour
Target version:	Candidate for next major release		
Resolution:			
Description			
<p>When copying an issue, you can select the following behaviors:</p> <ol style="list-style-type: none">1. whether to make a relation between source and destination issues2. whether to copy attachments <p>And the former has a setting to set the default behavior (#18500). However, the latter does not.</p> <p>I think it should also be possible to configure the default behavior whether to copy attachments or not.</p> <p>setting-copy-attachments-on-copy.png</p>			

History

#1 - 2021-11-22 06:53 - Yuichi HARADA

- File 36197.patch added

+1

I think it's a great way if you don't want to copy attachments.

I created a patch and attached it.

#2 - 2021-12-16 08:43 - Go MAEDA

- Target version set to Candidate for next major release

#3 - 2021-12-21 08:58 - Go MAEDA

- Target version changed from Candidate for next major release to 5.0.0

Setting the target version to 5.0.0.

#4 - 2021-12-31 01:48 - Go MAEDA

- Target version changed from 5.0.0 to Candidate for next major release
