

## Redmine - Feature #36204

### Add links from roadmap and a specific version to files associated with a version

2021-11-17 16:51 - Marcin Szewczyk

<b>Status:</b>	New	<b>Start date:</b>	
<b>Priority:</b>	Normal	<b>Due date:</b>	
<b>Assignee:</b>		<b>% Done:</b>	0%
<b>Category:</b>	Roadmap	<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>			
<b>Resolution:</b>			
<b>Description</b>			
<p>I can see links from <b>Files</b> to <b>Versions</b> but not the other way around.</p> <p>I was thinking about automatic submission of packages from a build server as <b>Files</b>. They would be much more accessible if one could get to them by clicking from an <b>Issue</b> to <b>Version</b> to a file or download release files from the <b>Roadmap</b>.</p>
