

Redmine - Patch #3625

Users can't change their issues statuses thru context menu if they don't have "edit issues", "change status"? privileges

2009-07-16 14:17 - Andrew Chaika

- Tracker changed from Defect to Patch
- Category set to Issues permissions
- Status changed from New to Closed

Hi,

there is no file /app/views/issues/context_menu.rhtml.

This issue is fixed anyway. The context menu is refactored and allows only users with sufficient rights to change issue status.

Thanks for providing this patch.
