

Redmine - Defect #36291

Issue done ratio is not updated after closing duplicate issue

2021-12-08 12:14 - Julia Kulpina

<b>Status:</b>	New	<b>Start date:</b>	
<b>Priority:</b>	Normal	<b>Due date:</b>	
<b>Assignee:</b>		<b>% Done:</b>	0%
<b>Category:</b>	Issues	<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>		<b>Affected version:</b>	
<b>Resolution:</b>			
<b>Description</b> <b>Steps:</b> 1) Create two issues and mark one as a duplicate of another; 2) Close "original" issue.  <b>Expected result:</b> Both issues have status "closed" and done ratio 100%.  <b>Actual result:</b> Both issues have status "closed" but done ratio of duplicate issue is not changed.			
<b>Related issues:</b> Copied from Redmine - Feature #33894: Automatically set done ratio to 100% wh... <div>New</div>

**Actual result:**  
Both issues have status "closed" but done ratio of duplicate issue is not changed.

This is the expected behavior if the "Calculate the issue done ratio with" setting in Administration > Settings > Issue tracking is set to "Use the issue field". Because the status field and the "% done" field are completely independent unless the "Calculate the issue done ratio with" is "Use the issue status".
