

Redmine - Defect #36335

Error when editing workflow with large number of statuses

2021-12-19 15:50 - salman mp

Status:	New	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Issues workflow	Estimated time:	0.00 hour
Target version:		Affected version:	4.2.3
Resolution:			
Description			
Trying to edit workflow with large number of statuses (e.g. 150 or more) cause browser to raise memory error (e.g 150x150x3 matrix cell must be displayed that in most of cases this is not needed). Furthermore it is very slow in both UI and backend.
