Redmine - Defect #3646

multiple lines of text don't wrap around in the issues list

2009-07-21 19:26 - VM Weseloh

Status:	Closed		**Start date:**	2009-07-21
Priority:	Normal		**Due date:**	
Assignee:			**% Done:**	0%
Category:	UI		**Estimated time:**	0.00 hour
Target version:				
Resolution:	Cant reproduce		**Affected version:**	0.8.3

Description

We're having a problem with fields that have multiple lines of text; they aren't wrapping around in our issues list. They show up as single lines of text. We're running Redmine 0.8.3 stable. This works fine using Internet Explorer, but not in Firefox (3.5). I tried using breaks, which works in the query list, but then on the individual bug pages they show up as "<br>".   Any help would be greatly appreciated.

History

- Category set to UI

#2 - 2013-02-06 10:12 - Daniel Felix

- Status changed from New to Closed

- Resolution set to Cant reproduce

Hi,

I tried this in the current Firefox Release (18.0.1) and I'm not able to reproduce this anymore. This seems to be fixed.

Best regards,
Daniel
