#### Description

When viewing a single issue and selecting "move", it is quite startling to be redirected to the issue listing afterwards, instead of back to the issue one just viewed.

The attached patch differentiates where you came from to do the move, and redirects you back either to the issue itself or the issue list.

#### History

##### #1 - 2014-11-02 07:36 - Go MAEDA

"Move" menu have been dropped years ago. Now we can move issue from the update form.  
This issue can be closed.

##### #2 - 2014-11-02 21:17 - Jean-Philippe Lang

- Status changed from New to Closed
