History

#1 - 2022-02-01 17:06 - Holger Just

- Status changed from New to Needs feedback

Are you sure this report concerns Redmine?

If so, please be more specific with your description. Which home screen and which **Compose** button are you referring to (given that there is no Compose action in Redmine)? If possible, please add a screenshot showing the issue.

#2 - 2022-03-22 08:02 - Go MAEDA

- Status changed from Needs feedback to Closed

- Resolution set to Invalid
