

Redmine - Defect #36592

Import hangs when "related to" issue could not be created

2022-02-09 12:09 - Harald Deischinger

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Importers	Estimated time:	0.00 hour
Target version:		Affected version:	4.2.3
Resolution:	Duplicate		
<b>Description</b> When importing issues and specifying a "related to" relationship, the import hangs when the issue referred could not be imported.  See the attached example: - Issue ID 3 fails to create (missing Subject) - Issue ID 4 tries to link to issue ID 3 - here the input hangs.			
<b>Related issues:</b> Is duplicate of Redmine - Defect #35656: When importing issue relations, the ... <span>Closed</span>			

History

#1 - 2022-02-10 06:18 - Mizuki ISHIKAWA

- File screenshot.png added

I was able to reproduce the problem in my environment.  
  
If the issue relation fails, the following exception will be raised.

```
F, [2022-02-10T05:14:06.190123 #5628] FATAL -- :  
ActiveRecord::RecordInvalid (Validation failed: Related issue cannot be blank):
```

The screen will remain unchanged during the import and you will not be able to notice why it failed.
