Redmine - Patch #36742

Scroll to top button

2022-03-09 13:33 - Dmitry Makurin

Status:	New	**Start date:**	
Priority:	Normal	**Due date:**	
Assignee:		**% Done:**	0%
Category:	UI	**Estimated time:**	0.00 hour
Target version:	Candidate for next major release		

Description

As title says the patch adds a small button to the right bottom of the page. On click scrolls to top.

ksnip_20220309-130332.png

This is very handy for long pages e.g. index of issues/news/wikis or issue with a lot of changes.

Patch was extracted from plugin https://bitbucket.org/dkuk/usability
