Category: REST API	Estimated time: 0.00 hour
Target version:	
Resolution:	
Description	
<p>Good afternoon.</p> <p>Is it possible to add a full response to a request to create / update a task through api? Also, please add a mechanism to track changes in the list of custom fields, including the removal of a custom field.</p> <p>If all this has already been implemented, then please send the information.</p>
