

Redmine - Defect #37054

How to redmine user activites in log files

2022-04-28 09:28 - Nipun Tharuka

Status: Closed	Start date:
Priority: Normal	Due date:
Assignee:	% Done: 0%
Category:	Estimated time: 0.00 hour
Target version:	Affected version: 4.1.1
Resolution: Invalid	

Description

Hi. I'm a newbie to Redmine. My issue is, when a user delete a comment, it's not showing that particular user deleted that issue. So I would like to know, is this activity recorded in the redmine logs? If yes, how can I view that certain log?

Thank you.
