<b>Description</b> <p>After using the Easy Gantt plugin, I found that after clicking the general project from the Redmine Home Page, you can see the “Easy Gantt” related tabs. As shown in the figure below, the options for add filter are also complete.</p> <p>But you can't see it on the Home Page, if you try to operate by clicking the top option, you will find that you can't customize your personal query, and the filter options are limited.</p> <p>So could I ask if Easy Gantt can also be applied to Redmine Home Page?</p> <p>Home Page No Easy Gantt After clicking Easy Gantt above the Home Page, you will find that you cannot customize your personal query, and the filter options are limited.</p> <p>Peggy</p>
