Description			
There is a very useful plugin https://www.redmine.org/plugins/that_thread . But it was developed a year ago for Redmine 4.2.x, 4.1.x, 4.0.x, 3.4.x.			
Now it's not installed for Redmine 5.0.1.			
Maybe someone can improve it? (potential paid work, i really need this plugin)
