

Redmine - Defect #37876

Upgrade instructions refer to deprecated Bundler '--without' flag

2022-11-01 19:42 - crypto gopher

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Documentation	Estimated time:	0.00 hour
Target version:		Affected version:	
Resolution:	Fixed		

Description

This is regarding [redmineupgrade](#), step 6

This '--without' flag is deprecated according to Bundler (2.2.33) message:

```
[DEPRECATED] The `--without` flag is deprecated because it relies on being remembered across bundler invocations, which bundler will no longer do in future versions. Instead please use `bundle config set --local without 'development test'`, and stop using this flag
```

History
