Redmine - Defect #37926

Project quick search shows closed projects

2022-11-13 14:05 - Wojtek Krawczak

Status:	Closed		**Start date:**	
Priority:	Normal		**Due date:**	
Assignee:			**% Done:**	0%
Category:	UI		**Estimated time:**	0.00 hour
Target version:				
Resolution:	Duplicate		**Affected version:**	5.0.3

Description
I am not sure if this is intentional, but from a usability point of view I think it isn't. When using the quick search function in the project dropdown (/projects/autocomplete.js) it also shows project that are closed. In my opinion a quick search is to navigate through active projects.
