Redmine - Defect #38151

Redmine changes "assigned to" to another person when status changed

2023-01-04 18:18 - Carlos Rueda

Status:	Closed		**Start date:**	
Priority:	Normal		**Due date:**

Category:	Issues		**Estimated time:**	0.00 hour
Target version:				
Resolution:			**Affected version:**	5.0.3

Description

If a user changes status, the issue is assigned to another user, even if the "assigned to" is read-only. This only happens when a issue is changed from "new" to another status.

- Status changed from New to Resolved

My fault, not a defect. Sorry. Was a non-sense configuration of **automatic assignation checkboxes** on the section "issues" of Additionals plugin.
