Description

Bonjour,

This ticket is not à prioritary.

In this article FrRedmine, it missed the description of permission "Gérer les sous-tâches". This persmission is located in the section of follow-up of the requests:

<https://www.redmine.org/projects/redmine/wiki/FrRedmineRoles>

Is that possible to modify this article ?

Thank you in advance,

Sincerely,

O.GUERIN,
