Description

It seems that a few translations are missing from "Mon compte" section of the 5.0.x version of Redmine :

1. Auto watch

If you go to "Mon compte" the text under "Auto watch" is "Issues I contributed to". I believe a translation could be "Demandes sur lesquelles je contribue"

1. Rapport par défaut

The text for the default project query is not translated. I believe it should be translated to "Rapport par défaut" (like what we can read in Project > Settings > Issue tracking).
