

Redmine - Defect #38254

Time Entry Import fails to import custom fields with "User" format

2023-02-08 12:10 - Jens Krämer

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:	Go MAEDA	% Done:	0%
Category:	Importers	Estimated time:	0.00 hour
Target version:	5.0.5	Affected version:	
Resolution:	Fixed		
Description			
the custom value lookup during the import relies (in the case of custom fields with field format "User") on the project being set on the new time entry, which isn't the case at this time. The attached patch which was extracted from Planio fixes that.
