

Redmine - Feature #38355

byte Request for limitation of byte number to custom field

2023-03-15 02:40 - Ayako Matsuzawa

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Custom fields	Estimated time:	0.00 hour
Target version:			
Resolution:	Duplicate		

Description

byte

Currently, custom fields have limitation only for number of characters.
We would like you to add limitation of byte number for operation of redmine with our production system.

Japanese has full-width characters(2bytes) and half-width characters(1byte).

Thank you for your cooperation in advance.
