Description

hi there,

i uploaded a plugin yesterday but it's not there anymore. unfortunately i didn't get an email saying what i might have done wrong when publishing it & didn't find any other support, so i'm trying here now.

https://www.redmine.org/plugins/redmine_add_date_formats_with_day_names
(https://github.com/ablidadev/redmine_add_date_formats_with_day_names)

any help would be appreciated
