| <b>Description</b>  |         |                          |           |
| Got a SystemStackError while try to access a specified issue.   |         |                          |           |
| When i try to access <a href="http://10.10.1.10/issues/62146">http://10.10.1.10/issues/62146</a> , it shows:                                    |         |                          |           |
| ...   |         |                          |           |
| Internal error  |         |                          |           |
| An error occurred on the page you were trying to access.  |         |                          |           |
| If you continue to experience problems please contact your Redmine administrator for assistance.  |         |                          |           |
| If you are the Redmine administrator, check your log files for details about the error.   |         |                          |           |
| Back  |         |                          |           |
| ...   |         |                          |           |
| While others issues are accessible except this one.   |         |                          |           |
| Versions are:   |         |                          |           |
| <div><div></div><div><div></div><div></div><div></div><div></div><div></div><div></div><div></div><div></div><div></div><div></div></div></div> |         |                          |           |
| Log:  |         |                          |           |
| ...   |         |                          |           |
| Started GET "/issues/62146" for 10.10.2.81 at 2023-07-03 14:19:13 +0800   |         |                          |           |
