Target version:		Affected version:	0.7
Resolution:	No feedback		
Description			
when new users login redmine, they are not able to see each and every icon.			

History

#1 - 2023-08-28 19:37 - Holger Just

- Status changed from New to Needs feedback

What icons do you speak of? Can you show a specific example?

In general, access to attachments in Redmine is guarded by the permissions to view the connected object. Attachments to an issue are thus only visible to a user if they have the permissions to see the issue too.

#2 - 2023-09-04 12:52 - Holger Just

- Status changed from Needs feedback to Closed

- Resolution set to No feedback
