|---|---|---|---|---|
| **Status:** | Closed | | **Start date:** | |
| **Priority:** | Normal | | **Due date:** | |
| **Assignee:** | | | **% Done:** | 0% |
| **Category:** | Issues | | **Estimated time:** | 0.00 hour |
| **Target version:** | | | | |
| **Resolution:** | Invalid | | **Affected version:** | 5.0.4 |

### Description

Whenever we try to change the status in the issue status in the main page of the issue the screen Redmine shows "Loading" but doesn't save the Status or Priority.

We need to go to the "Edit" mode to change these values.

Has anyone came across this issue before?

### History

**#1 - 2023-09-18 20:56 - Holger Just**

*- Status changed from New to Closed*

*- Resolution set to Invalid*

The functionality you show in your screenshots is not part of Redmine itself but was added by a plugin you have installed. If it does not work anymore after an update or other changes, please contact the authors of the plugin instead.
