

Redmine - Feature #39218

Send 2FA security notifications asynchronously

2023-10-23 04:18 - Mischa The Evil

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Email notifications	Estimated time:	0.00 hour
Target version:			
Resolution:	Duplicate		
Description Given what Jean-Philippe Lang wrote in #38388#note-2 : In Redmine 4.2, security notifications seem to be sent synchronously, unlike other notifications that are sent later. It triggers a timeout when sending the notification from redmine.org. It might be better if Redmine would send security notifications asynchronously too.			
Related issues: Related to Redmine - Defect #38388: Cannot generate 2FA backup codes from redmine.org Closed Is duplicate of Redmine - Patch #36005: Adopt 2FA emails to new Mailer interface Closed			

History
