

Redmine - Defect #39535

The three dots do not work

2023-11-08 13:10 - Albert Nicolas

Status:	Needs feedback	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Issues	Estimated time:	0.00 hour
Target version:		Affected version:	
Resolution:			
Description			
Good morning,			
We have been having problems with our company's Redmine development environment for a few days now.			
When we open a request and click on the "three dots", they do not react.			
Has this happened to anyone?			
Regards,			

History

#1 - 2023-11-08 20:19 - Holger Just

- Tracker changed from Feature to Defect
