Description

Hi, I haven't seen any services at servise window and can't login to redmine. I attached screenshots.
I need help, urgently, please.

History

#1 - 2024-01-15 18:02 - Holger Just

- Category deleted (Accounts / authentication)

- Status changed from New to Closed

- Resolution set to Invalid

Bitnami's Redmine package is distributed and supported by them. A lot of auxiliary details, such as the service registration on Windows is not part of Redmine itself but part of Bitnami's distribution package. As such, please contact the Bitnami support instead.
