```

```
module IssueStatusesHelper
  def issue_status_type_badge(status)
+   return '' if status.nil?
+
    if status.is_closed?
      content_tag('span', l(:label_closed_issues), class: 'badge badge-status-closed')
    else

It should **not** be a case with status nil using just plain Redmine.

Daniel Drexlmaier, can you post more information about your environment (admin/info)? I'm interested especially in plugins section.
