

Redmine - Defect #40245

Verifica abilitazione accesso RDP Bulgari e Teampass

2024-02-16 16:04 - Magdalena Nikola

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Accounts / authentication	Estimated time:	0.00 hour
Target version:		Affected version:	
Resolution:	Invalid		
Description Buongiorno, potreste verificare se sono abilitata ad accedere (m.nikola): • in RDP al server bulgarids.discoverydam.com • su Teampass In caso, per entrambi, mi potreste inviare privatamente la password che dovrei usare? Grazie, Magdalena

- Status changed from New to Closed
- Resolution set to Invalid

Please do not test Redmine here.

#2 - 2024-02-21 14:54 - Magdalena Nikola

Ciao,

Riuscireste a darmi una risposta per favore?

Grazie,

Magdalnea
