

Redmine - Feature #40277

Set day as non-working for purposes of Precedes and Following relationships

2024-02-20 03:52 - Dotan Cohen

Status:	New	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Issues planning	Estimated time:	0.00 hour
Target version:			
Resolution:			
Description In my opinion Redmine would benefit from the ability to set a specific, non-recurring day as a non-work day. An example of such a day would be a national holiday. This would affect the scheduling of Precedes and Following relationships.

I see support for such a feature in the Forum [1] and alluded to in the comments of a bug report [2].
