Redmine - Patch #40499

Replace deprecated `document.execCommand` with Clipboard API in copyTextToClipboard function

2024-03-30 10:01 - Go MAEDA

Status:	New	**Start date:**	
Priority:	Normal	**Due date:**

Category:	Code cleanup/refactoring	**Estimated time:**	0.00 hour
Target version:	Candidate for next major release		

Description

The document.execCommand method in JavaScript is deprecated but the copyTextToClipboard uses the deprecated function. The attached patch replaces the document.execCommand with Clipboard API.

The reason the code added in r20816 uses execCommand is probably to support Internet Explorer, but we no longer need to consider compatibility with Internet Explorer.
