

Redmine - Defect #4055

URLs for documents do not follow the general URL scheme

2009-10-19 11:40 - G N

Status:	Closed	Start date:	2009-10-19
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Documents	Estimated time:	0.00 hour
Target version:		Affected version:	
Resolution:	Wont fix		
Description Current URLs for a project's document is: example.org/documents/1 Paths to documents should follow the general URL scheme and, also it would be better to use the document's title in the URL instead of the document id. It should be: example.org/projects/PROJECT/documents/DOCUMENT_TITLE			

History

#1 - 2009-10-26 00:37 - G N

- Status changed from New to Resolved

Since it's not only the documents that follow the URL scheme above, I assume that this is intentional, aka a feature, so I set the bug to resolved.

#2 - 2009-11-11 17:31 - Jean-Philippe Lang

- Status changed from Resolved to Closed

- Resolution set to Wont fix

Indeed.
