Description This patch enhances the "Last activity" column in the projects list, which was implemented in #23954 , to include a link to the project's activity page. This addition allows users to easily view the latest activities for a project with a single click. Values in the "Last activity" column are linked to the project's activity page: clipboard-202405171158-bsvjz.png You can see the latest activities with a single click on the projects page: clipboard-202405171200-fnwk2.png
