Description

On the roadmap, there are only items from the feature tracker listed. All items from the defect tracker are missing. On the right side, there is only a select box for the feature tracker, the select box for the defects tracker is missing.

So I can only display items from the featre tracker in the roadmap.

History

#1 - 2009-10-23 19:37 - Adam Piotr Żochowski

- Status changed from New to Resolved

- % Done changed from 0 to 100

Edit your settings :

Administration -> trackers -> click "defects" -> click "Issues displayed in roadmap" -> save

And we are done.

Kind regards
