

## Redmine - Defect #4115

### repositories/show/project-name Ages off by timezone delta

2009-10-26 20:22 - Marc Mengel

<b>Status:</b>	Closed	<b>Start date:</b>	2009-10-26
<b>Priority:</b>	Normal	<b>Due date:</b>	
<b>Assignee:</b>		<b>% Done:</b>	50%
<b>Category:</b>	SCM	<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>		<b>Affected version:</b>	0.8.4
<b>Resolution:</b>	Duplicate		
<b>Description</b>			
<p>In our redmine 0.8.4 installation, when you go to the repositories/show/project-name page, the Age column shows a delta-time value which is off by the timezone delta from GMT. (in our case currently 5 hours -- that is a change made a minute ago lists as 5 hours ago).</p> <p>If you click on the revision next to that Age entry, on the revision page /repositories/revision/project-name/revisionkey the correct delta time is shown, so this is restricted to just that repositories/show/project-name page. This happens both in Git and CVS repositories, and so appears not to be a bug in the backends.</p>

### History

#### #1 - 2009-10-26 21:03 - Marc Mengel

I wanted to note that this doesn't change when I change my timezone as a user, the offset remains...

I should also mention that this is 0.8.4 plus:

<http://www.redmine.org/issues/4003>

<http://www.redmine.org/issues/4002>

#### #2 - 2009-10-27 18:29 - Shawn Nock

Confirming this bug at my site. Same symptoms... age off by delta from UTC.

#### #3 - 2009-10-27 18:30 - Shawn Nock

Adding that I am running HEAD current to a few hours ago...

#### #4 - 2009-11-11 23:01 - Jean-Philippe Lang

- Category set to SCM

#### #5 - 2010-01-21 05:43 - Chris Suter

Subject: [PATCH] Fixed timezone issue with last revision

#### **#6 - 2010-11-11 16:08 - Toshi MARUYAMA**

- % Done changed from 0 to 50

Git problem is reported at [#6346](#) and fixed by [r4187](#).

#### **#7 - 2010-11-13 10:18 - Felix Schäfer**

- Status changed from New to Closed

- Resolution set to Duplicate

This should be fixed, please open a new issue if this problem still persists.

#### **#8 - 2011-03-11 05:07 - Toshi MARUYAMA**

I confirmed CVS has this problem. I create new issue [#7827](#).
