

Redmine - Defect #4121

500 internal server error when closing some issues

2009-10-27 10:19 - Davide Ferrari

Status:	Closed	Start date:	2009-10-27
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Issues	Estimated time:	0.00 hour
Target version:		Affected version:	
Resolution:	Invalid		
Description			
This is what I got in the log			
<pre>ActionView::MissingTemplate (Missing template next_issue_mailer/recommended_below_threshold.erb in view path app/views): vendor/plugins/stuff_to_do_plugin/app/models/next_issue_mailer.rb:12:in `recommended_below_threshold' vendor/plugins/stuff_to_do_plugin/app/models/next_issue.rb:84:in `closing_issue' vendor/plugins/stuff_to_do_plugin/app/models/next_issue.rb:78:in `each' vendor/plugins/stuff_to_do_plugin/app/models/next_issue.rb:78:in `closing_issue' app/controllers/issues_controller.rb:203:in `edit'</pre>			
Rendering /var/www/redmine/public/500.html (500 Internal Server Error)			
I'm using r2982			
<pre># rails -v Rails 2.3.4 # ruby -v ruby 1.8.7 (2008-08-11 patchlevel 72) [i486-linux]</pre>			

History

#1 - 2009-10-27 10:33 - Davide Ferrari

The updated tickets which gave this error now seems a little inconsistent, cause I've received notifications of "bug is closed" while the status is still resolved, if I access the web page.

#2 - 2009-10-27 11:53 - Jean-Philippe Lang

- Status changed from New to Closed
- Affected version (unused) deleted (devel)
- Resolution set to Invalid

Closing this ticket since it's related to stuff_to_do_plugin.

#3 - 2009-10-27 12:00 - Davide Ferrari

Totally right. Sorry for the noise.
