

Redmine - Feature #4128

Copy project settings to subprojects

2009-10-28 14:31 - Marcin Kwiatkowski

Status:	New	Start date:	2009-10-28
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Projects	Estimated time:	0.00 hour
Target version:			
Resolution:			
Description An option to automatically copy all main project settings (like active modules, users, etc), without content to a subproject on creation. Or even better - an option to keep them in sync all the time.
