Redmine - Patch #41560

Improve clarity of translations in Self-registration settings

2024-10-22 22:54 - Tolga Uzun

Status:	Resolved	**Start date:**	
Priority:	Normal	**Due date:**	
Assignee:	Go MAEDA	**% Done:**	0%
Category:	Administration	**Estimated time:**	0.00 hour
Target version:	6.1.0		

Description

The translations used in Administration → Settings → Authentication → Self-registration are not self-explanatory and can be confusing. This patch aims to improve the clarity of these texts, making it easier for users to understand the options available.

Patch Details:
Updated Labels:
label_registration_activation_by_email: Self account activation by email verification
label_registration_manual_activation: Account activation by administrator approval
label_registration_automatic_activation: Automatic account activation
