Redmine - Feature #4167

Issues access: to allow a user view ONLY issues that his is assigned on

2009-11-05 12:45 - Vadim Epstein

Status:	Closed		**Start date:**	2009-11-05
Priority:	Normal		**Due date:**	
Assignee:			**% Done:**	0%
Category:	Issues permissions		**Estimated time:**	0.00 hour
Target version:				
Resolution:	Duplicate			

Description

Current behaviour
If you want to give access to some user to view only one issue you automatically have to allow him access to view all issues from this project. Desired behaviour
To have an option of allowing a user to view ONLY those bugs that he is assigned on and NOT to be able to see other issues from this project.
