

Redmine - Defect #41730

Do not send duplicate notifications on issues which you watching

2024-11-12 08:09 - Dmitry Dmitry

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Email notifications	Estimated time:	0.00 hour
Target version:		Affected version:	3.4.6
Resolution:	Invalid		
Description version: installed 3.4.6.stable also installed "mentions" plugin https://www.redmine.org/plugins/redmine-mentions When you was mentioned '@' in comments of an issue then two notification come to the email inbox: 1. You were mentioned in.... 2. Issue #XXX has been updated... Actually one of this notification is redundant. Or may be there is an approach to suppress one of these notifications?			

History

#1 - 2024-11-12 09:43 - Marius BĂLTEANU

- Status changed from New to Closed
- Resolution set to Invalid

Redmine [3.4.6](#) is no longer supported, please migrate to a recent and supported version of Redmine.

Also:

- Starting from Redmine [5.0.0](#), mention functionality is part of the Redmine core, please see [#13919](#) for more details.
- We do not offer support here for third party plugins.
