Redmine - Feature #42219

Request for Time parameter in Start Date & Due Date

2025-02-04 11:01 - KUNTAL MONDAL

Priority: Normal Due date: Assignee: % Done: 0% Category: Plugin Request Estimated time: 0.00 hour Target version: Resolution: 0.00 hour 0.00 hour Description Hello, Hello, Hello, Hello, I am currently using Redmine 5.1.1 and we have the parameters Start Date and Due Date in the issue page. However, I would like to have the time component alongside these date fields as it would be beneficial for defining our SLAs. We are aware of a plugin available in ticket <u>#5458</u> but it seems to compatible only up to Redmine version 3.x Could someone please let me know if there is a similar plugin or built in solution available for Redmine 5.1.1? Or any guidance on how to achieve this would also be greatly appreciated! Sharing my environment info: Redmine version 5.1.1.stable Redmine version 5.1.1.stable Ruby version 3.0.6-p216 (2023-03-30) [x86_64-linux] Rails version 6.1.7.6 Hello, Ruby version 3.0.6-p216 (2023-03-30) [x86_64-linux]	Status: New Start date:
