

Redmine - Patch #42596

Do not show user icon in add watchers modal when gravatar is disabled

2025-04-18 14:15 - Marius BĂLTEANU

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:	Marius BĂLTEANU	% Done:	0%
Category:	UI	Estimated time:	0.00 hour
Target version:	5.1.8		
Description When gravatar is disabled, users and groups are displayed differently as follow: 1. Members section (member list and new members modal): <ul style="list-style-type: none">• Users are displayed without an icon• Group are displayed with group icon 2. Watchers section <ul style="list-style-type: none">• Users are displayed without an icon• Group are displayed with group icon 3. Add watchers modal <ul style="list-style-type: none">• Users are displayed with user icon• Group are displayed with group icon To be consistent with #6831 , we won't show anymore the user icon in the add watchers modal for now.
