Description			
When gravatar is disabled, users and groups are displayed differently as follow:			
 Members section (member list and new members modal): Users are displayed without an icon Group are displayed with group icon 			
 2. Watchers section Users are displayed without an icon Group are displayed with group icon 			
3. Add watchers modal			
 Users are displayed with user icon Group are displayed with group icon 			
To be consistent with <u>#6831</u> , we won't show anymore the user icon in the add watchers modal for now.
