

Redmine - Defect #42654

Adjust padding-top for text alignment in project jumpbox

2025-04-30 03:37 - Mizuki ISHIKAWA

Status:	New	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	UI	Estimated time:	0.00 hour
Target version:	6.0.6	Affected version:	
Resolution:			

Description

The text inside the project jumpbox currently appears slightly misaligned, sitting lower than expected. Reducing the padding-top from 3px to 1.5px seems to improve the vertical alignment and creates a more balanced look.
