

Redmine - Patch #43196

Improve spacing of checkboxes in CSV export options dialog

2025-09-10 04:41 - Katsuya HIDAKA

Status:New

Priority:Normal

Estimated time:0.00 hour

Description

The CSV export options dialog for issue lists shows a broken fieldset style.

Currently, the fieldset has its padding set to 0, which makes the layout look unbalanced. How about removing this style and using the default padding instead?

Before:
