

Redmine - Defect #43283

Overdue due date text does not turn light gray when issue is selected

2025-10-02 05:05 - Go MAEDA

Target version:	Candidate for next minor release	Affected version:	
Resolution:			
Description In the issue list, overdue due dates are shown in red (#27316). When selecting issues, all text turns light gray on blue background, but overdue due dates remain red instead of turning gray. This makes the text hard to read. The due date text should also change to gray when the issue is selected. Expected: expected-noselection@2x.png expected@2x.png Actual: actual@2x.png
