Redmine - Feature #43285

Download activity log as csv

2025-10-03 13:31 - Francisco Vega

Status:	New		**Start date:**	
Priority:	Normal		**Due date:**	
Assignee:			**% Done:**	0%
Category:	Activity view		**Estimated time:**	0.00 hour
Target version:				
Resolution:				

Description

It could be useful to download the activity log directly from the activity tab, in a different format than atom or rss format, preferable as CSV, and possibly selecting output columns to choose.
The information could be useful for generating efficiency indicators, as an example.

09:01 Defect #43278: Error on db:migrate from version 6.0 to version 6.1
Thanks for your comments!
> 1/ You manually created the index (possibly as a performance optimization?).
I have...
