Description The time tracking report need a date range filter. Currently it seems to be reading all time entries and displaying them in the list. We only ever need to view a week at a time so just being able to filter for that week would immensely help.			

Associated revisions

Revision 1173 - 2008-02-26 19:15 - Jean-Philippe Lang

Adds date range filter and pagination on time entries detail view (closes #434).
