Redmine - Defect #4401

Attachments get saved on issue update even if validation fails

2009-12-15 11:06 - Vlad Ershov

Status:	Closed	**Start date:**	2009-12-15
Priority:	Normal	**Due date:**	
Assignee:		**% Done:**	0%
Category:	Attachments	**Estimated time:**	0.00 hour
Target version:	0.9.1		
Resolution:	Fixed	**Affected version:**	0.8.5

Description

There is small bug when I'm trying to update issue.

- I'm set "Spent time" with "Activity" field empty and select file for uploading.
- I have got error "Activity can't be blank". Ok, set Activity and submit one more.
- New update is created but there is no mentioning about uploaded file, but issue attachment list has link to new file.
